Report:

It has been a wonderful year serving as KASL president. I am sad it is coming to an end, but KASL will be in great hands with Janet taking over the reins. I attended the ALA Conference in Chicago with President-Elect Janet Wells. We attended 2 affiliate assembly meetings as well as other sessions and vendor hall time.

We had a well attended (280+) Summer Refresher at Assumption High School in Louisville, KY with Donalyn Miller as the keynote speaker and over 30 different breakout sessions for attendees. As of today, I am only waiting for payment from one person!!

I attended a Back to School Brunch on Saturday, September 7th for JCSMA at the Gheens Professional Library. This gave librarians a chance to see each other before Fall Dinner, a location to drop off basket items, and an opportunity to learn about the resources available at Gheens.

RECOMMENDATIONS: None

REQUIRING BOARD ACTION (POSSIBLE MOTION): None
